Sarah,

As you know, our Group is pretty upset about how our folks were treated during the last CAG meeting. While I understand that you do not have a copy of the mysterious video that was taken, our Group has instructed us to submit a FOIA request nonetheless. I just wanted you to be aware that it's coming. Hopefully it will be easy enough to respond to but sorry for the additional work.

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
